Minutes of the Pre Bid Conference of Reactive Co-Sputtering System

The technical committee and representatives from M/s Macwin India and M/s H. Fillungcr. met for Pre-Bid Conference in the chamber of Dr. V.K. Khanna, Chairman on 7.1.2010. Representative of Milman, Pune, could not attend the meeting.

1. Out of the five queries raised by M/s H. Fillunger, only one has been accepted. Alcatel Dry Roughing **Pump** is also acceptable along with other makes already mentioned. Rest of the four queries were discussed to their satisfaction.
2. M/s Macwin **representative** Dr. Aren raised issues related to load **lock** and terms and conditions of training for **the** CEERI staff for this equipment. The queries were replied to their satisfaction.
3. The committee discussed the queries raised by M/s Milman and found that they were almost similar in nature to the queries raised by the other two vendors. No **technical** modifications were suggested after the discussion.
