Fax : 01596 – 242135,242294

Phone : 01596 – 244710

Gram : “ELECTRONIC” Pilani

No. SPO/EOI/10-Pur/2018/2

Dated: 28.8.2018

### **EXPRESSION OF INTEREST FOR PROCUREMENT OF THE FOLLOWING ITEMS:**

- 1. NIR/ MIR based dairy analyzer.**
- 2. NIR/ MIR based Edible oil/Food analyzer**
- 3. Fluorescent Spectrophotometer**
- 4. Raman Spectrophotometer**

Director, CSIR- CEERI, Pilani invites interested manufacturer / authorized distributors to participate in per-indent conference for procurement of the above mentioned equipments. Applications of equipments are as follows:

1. NIR based dairy analyzer will be used for compositional analysis of milk and milk products like cheese, butter, ghee, khoya and milk powder.
2. NIR based edible oil or food analyzer will be used for analysis of edible oils, oilseeds and other liquid, semi solids and solid food products.
3. Florescent spectrophotometer will be used for investigation of oils, dairy and food products.
4. Raman spectrophotometer will be used for characterization of liquids, semi solids and solid food products.

The meeting will be held at CSIR-CEERI Conference Room on 12.09.2018 at 11.00 A.M. The interested participants should visit CSIR-CEERI, Pilani at their own cost and must also bring supporting documents i.e. leaflets/technical literature and product catalogue. Participants should be able to deliver technical presentation of the above mentioned equipments.
