

One day
Workshop on Flexible Electronics Technology
(WFET-2019)
Tentative Technical Program
March 25, 2019

Inauguration		
09:30 am – 10:00 am	Dr. Ajay Agarwal Welcome address & Overview of SSA, CSIR-CEERI, Pilani	
Initial comments by Chief Guest and Guest-of-Honor		
10:00 am – 11:00 am	Prof. P Chakrabarti Flexible and Stretchable Electronic Devices	
	Prof. S Panda Flexible Electronics: A case for India	
11:00 am-11:20 am	Tea Break	
Talk 1		
11:20 am – 12:00 pm	Prof. D K Goswami Topic: Organic field-effect transistors based flexible temperature sensors for affordable healthcare applications	
	Talk-2	
12:00 pm – 12:40 pm	Prof. Soumya Dutta Topic: Bending Microelectronic Technology towards Bendable Electronics	
	Talk 3	
12:40 pm -01:20 pm	Prof. Tarikul Islam Topic: Flexible Electronic Devices with Interfacing Circuits for Sensing Applications	
	Lunch CEERI Cafeteria	
01:20 pm -02:20 pm	Talk 4	
	Prof. N N Murty Topic: Organic Semiconductors as Real-time Radiation Detectors	
Talk 5		
03:00 pm - 03:40 pm	Prof. Somnath Roy Topic: Emergence of smart Bio-Medical sensors: Role of Nanotechnology and Flexible substrates	
	Tea Break	
03:40 pm - 04:00 pm	Panel Discussion	
04:00 pm - 05:00 pm
