विज्ञान से समृद्धि

CSIR-CEERI, in collaboration with Vigyan Bharati Rajasthan, the University of Rajasthan, and DST Rajasthan, is jointly organizing the Rajasthan Vigyan Mahotsav and National Science Day celebration from February 26th to 28th, 2024. This event epitomizes the synergy of scientific prowess and collective endeavours to cultivate innovation and scientific consciousness in Rajasthan. Through a harmonious convergence of academia, research, and public engagement, we aim to inspire curiosity, promote scientific literacy, and ignite a passion for discovery among the citizens of Rajasthan. Join us in this celebration of knowledge, exploration, and collaboration as we head towards a brighter, more innovative future.
