कार्यालय ज्ञापन

विषय: मिशन कर्मयोगी – “साधना सप्ताह” (02 से 08 अप्रैल, 2026) के आयोजन के संबंध में।

सीएसआईआर मुख्यालय का. ज्ञा. सं. 16-1(56)/2025-CCOACR दिनांक 01.04.2026 (संलग्न) के संदर्भ में यह सूचित किया जाता है कि निदेशक, CSIR-CEERI के अनुमोदनानुसार संस्थान में मिशन कर्मयोगी – “साधना सप्ताह” का आयोजन 02 अप्रैल से 08 अप्रैल, 2026 तक किया जाएगा।

इस दौरान समस्त कर्मचारीगण से अनुरोध है कि वे निम्नलिखित बातों का पालन करें:

1. iGOT Karmayogi प्लेटफॉर्म पर अपने कार्य से जुड़े कोर्स करें।
2. इस अवधि में कम से कम 4 घंटे का ऑनलाइन प्रशिक्षण पूरा करें।
3. विशेष रूप से AI (आर्टिफिशियल इंटेलिजेंस) एवं iGOT Marketplace से संबंधित कोर्स पर ध्यान दें।
4. अपनी आवश्यकता के अनुसार अन्य उपयोगी कोर्स भी कर सकते हैं।

सभी कर्मचारी/अधिकारी विशेषकर प्रशासन, वित्त एवं लेखा, भंडार एवं क्रय से अपेक्षा है कि वे इस कार्यक्रम में सक्रिय सहभागिता सुनिश्चित कर अपना ज्ञान वर्धन करेंगे।

No. 16-1(56)/2025-CCOACR

Dated: 01.04.2026

**OFFICE MEMORANDUM**

**Sub: Celebration of *Mission Karmayogi SADHANA Saptah* from 2nd to 8th April, 2026 - reg.**

The undersigned is directed to refer to the D.O. letter dated 19.03.2026 received from DoPT regarding the celebration of "*Mission Karmayogi SADHANA (Strengthening Adaptive Development and Humane Aptitude for National Advancement) Saptah*" from 2nd to 8th April, 2026(copy enclosed).

2. In this regard, all concerned employees/officers of the CSIR HQ and its labs/Instt. are requested to plan and undertake necessary activities for observance of 'Sadhana Saptah' in line with the aforesaid communication. In particular, the following may be ensured:

- (i) Completion of at least four (04) hours of role-aligned learning on the iGOT Karmayogi platform during the period from 2nd to 8th April, 2026, with special focus on AI-related and marketplace courses as identified in the DoPT OM. However, officers may also undertake any other courses of their choice, as per their requirements.
3. Further, HRDC is requested to organize **capacity-building programmes**, including domain-specific workshops, training sessions, and blended learning initiatives aligned with Mission Karmayogi.
4. Hindi version will follow.

D.O. No T-28/35(ii)/2026-iGOT

19<sup>th</sup> March, 2026

*Dear Colleague,*

Mission Karmayogi aims to build the capacity of civil servants across Ministries/Departments/Organizations/State and UT governments through competency-driven learning and continuous professional development. The Department of Personnel and Training in collaboration of the Capacity Building Commission and SPV - Karmayogi Bharat, has been advancing several initiatives to foster a culture of continuous learning within the civil services as part of the Mission.

2. Over the past few years, Mission Karmayogi has made significant progress in strengthening the national capacity-building ecosystem. The iGOT Karmayogi platform, which serves as the digital backbone for delivering online learning has onboarded over 1.5 crore learners who have completed close to 8 crore courses.

3. To foster a culture of continuous learning, the National Learning Week - *Karmayogi Saptah* was held during October 19-27, 2024. The initiative recorded more than 45 lakh course enrollments and 32 lakh course completions, generating over 38 lakh learning hours, achieving a nine-fold increase in daily course completions during the week.

4. Now, it has been decided to observe "**Mission Karmayogi - SĀDHANA Saptah**" from **2<sup>nd</sup> to 8<sup>th</sup> April 2026** across the Union and State Governments. The CBC has already written to you in this regard. A brief note by the CBC including the tentative programme for the SĀDHANA Saptah is enclosed for perusal.

5. The SĀDHANA *Saptah* is envisaged as a focused period during which government employees engage in online learning over iGOT and discuss/ reflect upon the subject of learning with focus on governance, institutional capacity building and public service delivery. In particular, all institutions are strongly encouraged to take up the following activities :-

- All employees under each Ministry/Department/Organization to complete **at least four hours of learning** on the iGOT Karmayogi platform during the week, aligned with their roles and responsibilities. **Capacity building in AI** being a key focus area of the government, employees may, in particular, be encouraged to learn about AI with the help of courses available on iGOT. An **indicative list of courses on AI** available on iGOT is being attached for your reference (**Annexure I**). Further, employees may be encouraged to build functional and behavioral competencies by completing **advance-level courses** available free of cost on the **iGOT Marketplace**. An indicative list of courses is attached for reference (**Annexure II**).

Contd..2/-

- As the last date for completion of Mandatory courses for the APAR Cycle has been **extended to 30.04.2026**, the officials may be encouraged to complete their **mandatory courses and comprehensive assessment** during the *SĀDHANA Saptah*, which shall also be counted for the four hours of role-aligned learning on the iGOT Karmayogi platform, as described above.
  - Ministries/Departments to organize **Samuhik Charcha / panel discussions** (structured peer-learning discussions) to reflect on governance challenges, reform priorities, and good practices relevant to their domain, while documenting key insights.
  - **Inter-departmental workshops** may be conducted to promote coordination, policy convergence, and collaborative problem-solving.
  - A **domain expert** from each Ministry/Department may be nominated to deliver a thematic webinar/session on iGOT during the week.
  - **Training institutions** may be advised to conduct dedicated capacity-building activities, including domain-specific workshops, sessions, and blended learning programs aligned with Mission Karmayogi.
6. The **inaugural session on 2nd April 2026** will also mark the launch of several key initiatives aimed at further strengthening the national capacity-building ecosystem and reinforcing the spirit of *Seva Bhav*.
7. I am confident that your leadership will ensure active participation across all levels of your Ministry/Department and associated Organizations and will help to make the *Saptah* a meaningful step towards institutionalizing structured capacity building for government employees.

*Best regards,*

**Encl: As Above**

Yours sincerely,

*Rachna*  
(Rachna Shah)

# Mission Karmayogi SĀDHANA Saptah - 2 to 8 April 2026

Technology | Tradition | Tangible Outcomes

India's governance landscape is being reshaped by rapid technological change, renewed attention to Indian Knowledge Systems, and an increasing focus on Citizen Centricity. **Sadhna Saptah** is conceived as a theme-focused and sector-anchored exercise (sector classification as per SGOS) to strengthen governance capability across Ministries, Departments, and States. Structure of the week shall be focused on three themes or Sutras<sup>1</sup>, **Technology, Tradition & Tangible Outcomes**.

## Mission Karmayogi SĀDHANA Saptah

Technology • Tradition • Tangible Outcomes

### Proposed structure of the week

**2 April:** National Orientation

**3 & 4 April:** Technology (AI & emerging Tech)

**5 & 6 April:** Tradition (Indian Knowledge Systems and Indigenous Innovations)

**7 & 8 April:** Tangible Outcomes (Citizen Centricity and Impact)

Each Ministry/Department at the Centre and State level may identify sector-specific subthemes under each pillar, conduct webinars, internal workshops, case reviews, or field visits, and submit a brief Sankalp Note summarizing insights and commitments.

---

<sup>1</sup> Like the People, Planet & Progress *sutra* approach adopted for India AI Impact Summit 2026

## 1. Technology

Artificial Intelligence and emerging technologies transforming the sector. Focus areas may include:

- Sector-specific AI use cases
- Regulatory readiness
- Digital public infrastructure integration

## 2. Tradition

Indian Knowledge Systems and indigenous innovations relevant to the sector. Focus areas may include:

- Civilizational practices with contemporary relevance
- Community-led institutional models
- Indigenous governance insights

## 3. Tangible Outcomes

Outcome-oriented governance and public value creation. Focus areas may include:

- Citizen impact tracking
- Clear articulation of priority sectoral outcomes for citizens
- Dashboard-based monitoring

## Expected Output

By the end of Saptah, each Ministry/Department should articulate:

1. Two priority technology interventions
2. Two sector-relevant indigenous or traditional models
3. Three measurable outcome commitments for FY 2026–27

CBC will compile and synthesize insights into a cross-sectoral compendium. Indicative Theme – Sector Mapping<sup>2</sup>

<b>Sector</b>	<b>Technology</b>	<b>Tradition</b>	<b>Tangible Outcomes</b>
	<i>3 &amp; 4 April</i>	<i>5 &amp; 6 April</i>	<i>3 &amp; 4 April</i>
<b>Infrastructure</b>	AI planning, GIS monitoring	Traditional water systems	Reduced project delays
<b>Resources</b>	Satellite mapping, climate analytics	Community forest governance	Sustainable extraction metrics

<sup>2</sup> The sub-themes suggested against sectors are only indicative. Ministries/Departments must identify their own topics aligned with the overall theme for the day and relevant to their sector.

<b>Security &amp; Foreign Affairs</b>	Cyber defence, AI intelligence	Kautilya, Panchsheel	Faster threat response
---------------------------------------	--------------------------------	----------------------	------------------------

Sector	Technology	Tradition	Tangible Outcomes
	<i>3 &amp; 4 April</i>	<i>5 &amp; 6 April</i>	<i>3 &amp; 4 April</i>
<b>Governance</b>	AI grievance systems	Sabha traditions	Service delivery timelines
<b>Finance &amp; Economy</b>	Fraud analytics, digital payments	Indigenous trade systems	Tax compliance growth
<b>Welfare</b>	Beneficiary analytics	Cooperative models	Inclusion & leakage reduction
<b>Commerce &amp; Industry</b>	Supply chain AI	Craft cluster traditions	Export & job growth
<b>Human Development</b>	EdTech & Health AI	Gurukul, Ayurveda	Learning & health outcomes
<b>Agriculture &amp; Rural</b>	Precision farming tech	Traditional seed systems	Farmer income growth
<b>Technology Sector</b>	AI governance frameworks	Mathematical & scientific heritage	Digital inclusion metrics

**Tentative Agenda Launch Day (Day1):** Venue: Dr. Ambedkar International Centre, New Delhi

**Date:** 2<sup>nd</sup> April, 2026

**Time:** 10.00 AM

S. N.	Programme	Time
1.	<b>Inaugural Function</b>	<b>10.00 AM– 11.00 AM</b>
